INTERVIEW SUMMARY

The undersigned representative thanks Examiner John Rivell for the courtesy of the telephonic interview held on May 6, 2009.

The substance of the interview included a discussion of proposed examiner's amendments to place the present application in condition for allowance. Specifically, per Examiner Rivell's suggestion, it was agreed that the term "stone-mill-like" recited in the claims and in the specification be replaced with "disc." Further, Examiner Rivell agreed to allow previously withdrawn claims 19 and 20 after amending the claims to change their respective dependency from cancelled claim 4 to claim 1.

Respectfully submitted,

Date: May 9, 2009
